Park, Start, Accelerate

At the Brilliance Institute, we emphasize the importance of exceeding expectations. No matter what you are responsible for in life, accelerate your actions above and beyond what is expected or required.

Each moment of the day, you have the choice to go beyond your potential. Write down what behaviors you need to put in Park and which behaviors you need to Start. What should you get even better at, or Accelerate in order to “Shift?” Share these with an accountability partner.
